

# Conservation

If you were putting these three texts into one collection, what title would you give that collection?

---

---

*Letter From a Lemur* and *The Conservation Conundrum* both mention deforestation. Can you find other similarities between any of the three texts?

---

---

---

---

---

---

---

---

If you had to share one of the texts with a younger child to teach them about conservation, which text would you choose? Why?

---

---

---

---

---

---

---

---

# Conservation

Now that we have read the three texts on the theme of conservation, can you think of other stories, poems or events that link to this theme?

---

---

---

---

---

---

---

---

---

---

What have you learnt about conservation that you could use in your own life?

---

---

---

---

---

---

---

---

---

---

[illegible]
