

Peace

The three texts are connected by a theme. Do you think it would be easy for someone to spot the theme? Why (or why not)?

Which of the three texts made you think about peace the most? Why was this?

Comparing Texts

If you had to choose a favourite text from the three in the collection, which one would it be? Why is this?

Find someone in the class who has chosen a different favourite from you. Tell them about your choice and listen to their reasons for their favourite.
