Using drama to teach narrative: Unit 4 - Mastering freeze framing and thought tracking

Key Questions	Notes and Comments	Actions
What strategies are you currently using to teach inference?		
Are the children used to creating tableaux and freeze frames? How might you introduce this activity to other teachers in the school?		
Do you have access to a space large enough to conduct freeze framing activities?		
How might you use other spaces in school to facilitate freeze framing and thought tracking activities?		
Which books have you taught recently that would lend themselves to freeze framing and thought tracking?
