## Using drama to teach narrative: Unit 9 - Writing in role

Key Questions	Notes and Comments	Actions
What are the barriers to children writing in role?		
What opportunities do children currently have to write informally?		
Do children have a positive attitude to writing or might they view writing in role as daunting or 'boring'?		
What do you think the benefits of introducing more role-play writing tasks would be for your children's reading skills?		
When might you plan writing in role into an English unit of work?
